THE Exigencies of the Kingdom are at present so preſſing, with Regard to the national Debt, that there is an abſolute Neceſſity for making the People of our Colonies bear a reaſonable Part of the Weight; but before we think of Loading them with any Portion, 'tis abſolutely neceſſary that we ſhould furniſh them with Means. We muſt take off every Reſtriction which has been laid upon their Commerce; we muſt grant them an open, uninterrupted Trade; and, inſtead of treating them as Rivals or Enemies in Traffic, encourage them as Brothers and Friends; to enable them to bear a proportionable Share in our Diſtreſſes, we muſt inveſt them with a proportionable Share of our Advantages; and inſtead of looking on them with the jealous Eye of a Step-mother, conſider them as a valuable and immediate Part of ourſelves.

From what has been ſaid, it therefore appears inconteſtibly evident, that there is the ſtrongeſt Neceſſity to mitigate the preſent Severity of the Mother-Country, by making the Colonies, who have ſo largely ſhared in her Proſperity, bear ſome little Participation of her Diſtreſs. The Eſtabliſhment of theſe Colonies have coſt us Millions of Money and Rivers of Blood; 'tis ſurely Time then that we endeavour to make them of ſome little Account; 'tis ſurely Time for us to reſign a Syſtem which has proved ſo detrimental to them as well as deſtructive to ourſelves. How widely different from ours is the Behaviour of the other European Nations in Regard to their Colonies! The Dutch wiſely judge that a Subject, whether he lives in Amboyna or reſides in Zeland, is equally a Subject, and of Conſequence equally entitled to partake of the Benefits, or ſhare in the Difficulties of the Mother-Country. Hence the Dutch Colonies, by being conſidered as an immediate Part of the Republic, inſtead of being merely a nominal Advantage and real Burthen like ours, are made in a moſt material Degree important to the general Intereſt, and furniſh, if any Thing, more than their regular Portion to the Exigencies of the Public. Portugal, 'tis well known, derives the principal Part of it's Opulence from her Colonies; ſo does Spain. Why in the Name of Wonder then cannot we imitate the Policy of thoſe Nations, who by the Superiority of our Commerce, having infinitely greater Opportunities; and make our Settlements anſwer the great End of Conolization, the Benefit of the Settlers, and the Happineſs of the Mother-Country.

At preſent we ſeem ſollicitous to defeat the very Intention of eſtabliſhing thoſe Colonies, for the Poſſeſſion of which we have been ſo incredibly prodigal, both of our Treaſure and our Blood. ——'Tis hoped, therefore, the Example of other Countries, the Complaints of our Plantations, and the preſſing Neceſſity of our own Affairs, will ſpeedily induce us to adopt a very different Syſtem of Policy, than what has hitherto regulated our Conduct, as the future may not prove altogether ſo favourable to our Wiſhes, if we ſuffer the new to be loſt.

LONDON, *February* 9.

ON Saturday Night, about Nine o'Clock, a Duel was fought, at the Star and Garter Tavern in Pallmall, between a certain Nobleman and a Gentleman poſſeſſed of a large Eſtate in Nottinghamſhire; when the latter was run thro' the Body, and died Yeſterday Morning about Ten o'Clock.

Laſt Night the Coroner's Inqueſt ſat on the Body of the unfortunate Mr. Chaworth, that was killed in the Duel with Lord Byron, but had not brought in a Verdict when this Paper went to Preſs. We are aſſured he was ſenſible to the laſt, had his Will made before he died; and on Sunday, at Noon, an Expreſs was ſent to his Mother in Nottinghamſhire, to inform her of the melancholy Accident that had happened.

February 14. This Day, about eleven o'Clock, Mr. John Williams, Bookſeller in Fleet-ſtreet, was brought, purſuant to his Sentence, from the King's Bench Priſon, to ſtand in the Pillory in New Palace Yard, Weſtminſter, for republiſhing the North-Briton, N° 45, in Volumes. It is remarkable, that the Coach which carried him there, was N° 45. A few Minutes after Twelve he mounted, amidſt the repeated Acclamations of upwards of Ten Thouſand People, who never ceaſed ſhouting till his Hour of ſtanding was expired. Oppoſite to the Pillory were erected four Ladders with Cords running from each other, on which were hung a Jack Boot, an Ax, and a Scotch Bonnet. The two latter, after remaining there ſome Time, were burnt, and the Boot beheaded. During his Standing alſo, a Purple Farle, very richly ornamented with Ribbons of an Orange Colour, was produced by a Gentleman noted for his Patriotiſm, who began a Collection in favour of the Culprit, by putting a Guinea into it himſelf, after which the Purſe being carried round, every Body contributed according to his own fancy, to the Amount in the Whole, as ſuppoſed, of upwards of 200 Guineas: One Gentleman it is ſaid gave 50 Guineas. Mr. Williams, at getting into the Pillory, and at getting out, politely bowed to the Spectators. He held a Sprig of Laurel in his Hand all the Time.

We hear a Bill is now preparing for the Approbation of the Houſe, to curtail the Time limited for the Arrival of the Female Sex to the Age of Diſcretion according to Law, by one full Year.

It is now ſaid that the future Uſe of Stills in the Britiſh American Provinces, except in Caſes of Chymiſtry and Medicine, will this Seſſions be prohibited under an high Penalty. [*It is to be Hoped our Stull ſhall ſtill be allowed the Uſe of Ovens, and not be obliged to import our Hot Rolls! Or, Starve!*]

There is a Report of ſome Alterations being to be made in the Duties on Tobacco.

Laſt Saturday Evening the Wife of a Publican at Rotherhithe was ſafely brought to Bed of Twins, both Males; and a few Hours after, a young Woman, (a Lodger in the Houſe) was alſo delivered of Twins, both Females. What is more remarkable, the latter has ſworn the Publican to be the Father of her Children.

February 20. We are informed, ſince the Plantation Agents have failed in oppoſing the intended Duty on American Stamps, a Motion is preparing to be made in the Houſe, that the Commiſſioner for the Receipt of this Duty may be appointed from the Natives of each Province, where the Tax is to take Place.

When Mr. Williams, Bookſeller, in Fleet-ſtreet, after ſtanding in the Pillory on Thurſday laſt, returned to the King's Bench Priſon in the Hackney Coach, N°. 45, which drove him from thence and waited all the Time, he aſked the Coachman what was his Demand, who replied, That he would not take any Thing; but Mr. Williams inſiſting on paying him, the Coachman warmly declared, the Honour of driving him on that Occaſion was a ſufficient Reward for his Trouble; and abſolutely refuſed receiving any Payment.

February 26. On Sunday Evening the Right Hon. Lord Byron arrived from France, at his Houſe in Great Marlborough-ſtreet, and Yeſterday ſurrendered himſelf at the Bar of the Right Hon. the Houſe of Peers, and was committed to the Tower.

On the 13th Inſtant the Lords Juſtices of Ireland iſſued a Proclamation, offering a Reward of 300 l. for the apprehending Nicholas Sheeby, Popiſh Prieſt of Shanragan, in the County of Tipperary, who not only ſtands indicted at an Aſſize for that County the 28th of March laſt, for High Treaſon and Rebellion, but is alſo charged on Oath with having been ſince concerned in ſeveral treaſonable Practices to raiſe a Rebellion in that Kingdom.

March 2. Yeſterday there was a Board of Works, when Orders were given for the Scaffolding in Weſtminſter-Hall to be erected and finiſhed, for the Trial of Lord Byron, againſt the 16th of April.

PROVIDENCE, *(N. E.) April* 13.

By a Letter from *London* in the laſt Ship to *Boſton*, we are acquainted, That Col. ANNAPOLIS, *May* 2.

We have no further Particulars relating to the tremendous STAMP DUTY, than what we have publiſhed; only that there was almoſt a certainty that an Act would Paſs for that Purpoſe!!!!! To take Place the 1ſt of *September*!!!!!

(1*) ROBERT BEVERLEY.

From the Pennsylvania Ledger, of February 9.

THE Exigencies of the Kingdom are at present so preſſing, with Regard to the national Debt, that there is an abſolute Neceſſity for making the People of our Colonies bear a reaſonable Part of the Weight; but before we think of Loading them with any Portion, 'tis abſolutely neceſſary that we ſhould furniſh them with Means. We muſt take off every Reſtriction which has been laid upon their Commerce; we muſt grant them an open, uninterrupted Trade; and, inſtead of treating them as Rivals or Enemies in Traffic, encourage them as Brothers and Friends; to enable them to bear a proportionable Share in our Diſtreſſes, we muſt inveſt them with a proportionable Share of our Advantages; and inſtead of looking on them with the jealous Eye of a Step-mother, conſider them as a valuable and immediate Part of ourſelves.

From what has been ſaid, it therefore appears inconteſtibly evident, that there is the ſtrongeſt Neceſſity to mitigate the preſent Severity of the Mother-Country, by making the Colonies, who have ſo largely ſhared in her Proſperity, bear ſome little Participation of her Diſtreſs. The Eſtabliſhment of theſe Colonies have coſt us Millions of Money and Rivers of Blood; 'tis ſurely Time then that we endeavour to make them of ſome little Account; 'tis ſurely Time for us to reſign a Syſtem which has proved ſo detrimental to them as well as deſtructive to ourſelves. How widely different from ours is the Behaviour of the other European Nations in Regard to their Colonies! The Dutch wiſely judge that a Subject, whether he lives in Amboyna or reſides in Zeland, is equally a Subject, and of Conſequence equally entitled to partake of the Benefits, or ſhare in the Difficulties of the Mother-Country. Hence the Dutch Colonies, by being conſidered as an immediate Part of the Republic, inſtead of being merely a nominal Advantage and real Burthen like ours, are made in a moſt material Degree important to the general Intereſt, and furniſh, if any Thing, more than their regular Portion to the Exigencies of the Public. Portugal, 'tis well known, derives the principal Part of it's Opulence from her Colonies; ſo does Spain. Why in the Name of Wonder then cannot we imitate the Policy of thoſe Nations, who by the Superiority of our Commerce, having infinitely greater Opportunities, and make our Settlements anſwer the great End of Conoliration, the Benefit of the Settlers, and the Happineſs of the Mother-Country.

At preſent we ſeem ſollicitous to defeat the very Intention of eſtabliſhing thoſe Colonies, for the Poſſeſſion of which we have been ſo incredibly prodigal, both of our Treaſure and our Blood. ——'Tis hoped, therefore, the Example of other Countries, the Complaints of our Plantations, and the preſſing Neceſſity of our own Affairs, will ſpeedily induce us to adopt a very different Syſtem of Policy, than what has hitherto regulated our Conduct, as the future may not prove altogether ſo favourable to our Wiſhes, if we ſuffer the new to be loſt.

LONDON, *February* 9.

ON Saturday Night, about Nine o'Clock, a Duel was fought, at the Star and Garter Tavern in Pallmall, between a certain Nobleman and a Gentleman poſſeſſed of a large Eſtate in Nottinghamſhire; when the latter was run thro' the Body, and died Yeſterday Morning about Ten o'Clock.

Laſt Night the Coroner's Inqueſt ſat on the Body of the unfortunate Mr. Chaworth, that was killed in the Duel with Lord Byron, but had not brought in a Verdict when this Paper went to Preſs. We are aſſured he was ſenſible to the laſt, had his Will made before he died; and on Sunday, at Noon, an Expreſs was ſent to His Mother in Nottinghamſhire, to inform her of the melancholy Accident that had happened.

February 14. This Day, about eleven o'Clock, Mr. John Williams, Bookſeller in Fleet-ſtreet, was brought, purſuant to his Sentence, from the King's Bench Priſon, to ſtand in the Pillory in New Palace Yard, Weſtminſter, for republiſhing the North-Briton, N° 45, in Volumes. It is remarkable, that the Coach which carried him there, was N° 45. A few Minutes after Twelve he mounted, amidſt the repeated Acclamations of upwards of Ten Thouſand People, who never ceaſed ſhouting till his Hour of Standing was expired. Oppoſite to the Pillory were erected four Ladders with Cords running from each other, on which were hung a Jack Boot, an Ax, and a Scotch Bonnet. The two latter, after remaining there ſome Time, were burnt, and the Boot beheaded. During his ſtanding alſo, a Purſe Purſe, very richly ornamented with Ribbons of an Orange Colour, was produced by a Gentleman noted for his Patriotiſm, who began a Collection in favour of the Culprit, by putting a Guinea into it himſelf, after which the Purſe being carried round, every Body contributed according to his own fancy, to the Amount in the Whole, as ſuppoſed, of upwards of 200 Guineas: One Gentleman it is ſaid gave 50 Guineas. Mr. Williams, at getting into the Pillory, and at getting out, politely bowed to the Spectators. He held a Sprig of Laurel in his Hand all the Time.

We hear a Bill is now preparing for the Approbation of the Houſe, to curtail the Time limited for the Arrival of the Female Sex to the Age of Diſcretion according to Law, by one full Year.

It is now ſaid that the future Uſe of Stills in the Britiſh American Provinces, except in Caſes of Chymiſtry and Medicine, will this Seſſions be prohibited under an high Penalty. [*It is to be Hoped we ſhall ſtill be allowed the Uſe of Ovens, and not be obliged to import our Hot Rolls! Or, Starve!*]

There is a Report of ſome Alterations being to be made in the Duties on Tobacco.

Laſt Saturday Evening the Wife of a Publican at Rotherhithe was ſafely brought to Bed of Twins, both Males; and a few Hours after, a young Woman, (a Lodger in the Houſe) was alſo delivered of Twins, both Females. What is more remarkable, the latter has ſworn the Publican to be the Father of her Children.

February 20. We are informed, ſince the Plantation Agents have failed in oppoſing the intended Duty on American Stamps, a Motion is preparing to be made in the Houſe, that the Commiſſioner for the Receipt of this Duty may be appointed from the Natives of each Province, where the Tax is to take Place.

When Mr. Williams, Bookſeller, in Fleet-ſtreet, after ſtanding in the Pillory on Thurſday laſt, returned to the King's Bench Priſon in the Hackney Coach, N°. 45, which drove him from thence and waited all the Time, he aſked the Coachman what was his Demand, who replied, That he would not take any Thing; but Mr. Williams inſiſting on paying him, the Coachman warmly declared, the Honour of driving him on that Occaſion was a ſufficient Reward for his Trouble; and abſolutely refuſed receiving any Payment.

February 26. On Sunday Evening the Right Hon. Lord Byron arrived from France, at his Houſe in Great Marlborough-ſtreet, and Yeſterday ſurrendered himſelf at the Bar of the Right Hon. the Houſe of Peers, and was committed to the Tower.

On the 13th Inſtant the Lords Juſtices of Ireland iſſued a Proclamation, offering a Reward of 300 l. for the apprehending Nicholas Sheeby, Popiſh Prieſt of Shanragan, in the County of Tipperary, who not only ſtands indicted at an Aſſize for that County the 28th of March laſt, for High Treaſon and Rebellion, but is alſo charged on Oath with having been ſince concerned in ſeveral treaſonable Practices to raiſe a Rebellion in that Kingdom.

March 2. Yeſterday there was a Board of Works, when Orders were given for the Scaffolding in Weſtminſter-Hall to be erected and finiſhed, for the Trial of Lord Byron, againſt the 16th of April.

(*) ROBERT BEVERLEY.

By the KING's AUTHORITY.

THE Commissioners appointed by the King for the Sale of Lands in the Islands of Grenada, the Grenadines, St. Vincent, Dominica, and Tobago, and for adjusting and settling with the French Inhabitants of St. Vincent and Dominica, the Terms and Conditions on which his Majesty has been graciously pleased to direct that the said Inhabitants may become British Subjects, and remain in Possession of the desired Lands they occupied at the Time of the Surrender of the said Islands, &c. &c. being informed that some Misapprehensions and Doubts have arisen concerning the Terms and Meaning of the said Terms, the Commissioners, the better to enable the said Inhabitants clearly to comprehend the same, have directed the subsequent Abstracts, taken from his Majesty's Instructions, to be translated into French, and dispersed in the said Island.

Abstract of the Terms and Conditions contained in his Majesty's Instructions, relative to the French Inhabitants of the Island of St. Vincent and Dominica.

THE native Caribbees of St. Vincent are permitted to remain undisturbed in their Cottages and Grounds, and the French Inhabitants in that Island and Dominica are encouraged to continue on the Lands which they have cleared, and to enjoy their Possessions, by Virtue of Leases under the Crown in the following Manner, and subject to the following Conditions, that is to say: The Lessee is to take the Oaths of Allegiance, and make and subscribe the Declaration of Abjuration; he is to hold by his Lease only such cleared Lands, as he was at the Surrender of those Islands, and still is possessed of, excepting where his very great Convenience makes some small Alterations necessary, in which Case small Parcels of contiguous Lands may be added and comprised therein as the Commissioners shall judge reasonable. In Cases where Lands were held before the late Peace by several French Proprietors jointly, some of whom are since retired from them, the said Lands are to be severed into Parts, and Indulgence shewn in the Division to those who are contented to remain and receive their Portions. But the Lands which have been occupied by religious Societies are not included within the Meaning of these Provisions, nor intitled to the same Favour, but are to be otherwise disposed of. And if any French Inhabitant there happens to be, who has occupied more than *Five Hundred Acres of Land*, as above described, in St. Vincent, or Three Hundred in Dominica, his Possessions are to be reduced to those Numbers. Neither the Lands, or any Part of the Lands thereby demised, are assignable to any other Person, without a Licence first had from the Governor-General, and the Approbation of the Lords Commissioners for Trade and Plantations: And a Covenant is also to be inserted in the Lease, that the Lessee shall reside at least one Half of the Year, in the Island where the Lands lie. If it shall be found necessary to appropriate to public Uses, cleared Lands in the Possession of any French Inhabitant, he shall be paid for any Buildings, or Improvements thereon by the Appointment, and be allotted uncleared Lands in lieu of his cleared Lands to appropriated as above-mentioned.

Under the Restrictions, and with these Conditions, Leases, to be signed by the Commissioners, and passed under the Seal of the Islands, may be granted for the Term of fourteen, twenty-one, thirty-two, or forty Years, at the Option of the Lessee, or (if they prefer it) for fourteen Years, renewable at the pleasure of the Lessee for a further Number of Years, not exceeding forty in the whole. And, in Consideration hereof, certain Fines are to be paid down and Quit-rents reserved to the Crown, according to the Nature and Circumstances of the Case. But if any French Inhabitants shall not be disposed to occupy the Land he has already cleared, upon the Terms of the Lease required of him, he will be permitted to take up uncleared Lands, unincumbered with these Terms, to be allotted him by the Commissioners, in lieu of the former, and to be moreover paid for the Buildings thereon, by fair Appraisement.

Notice is hereby given, that the Commissioners intend to repair, with all convenient Speed, first to the Island of St. Vincent, and from thence to Dominica, in order to determine in each Island the several Matters which are to be settled with the said Inhabitants, in Conformity with the above Instructions: And moreover, in order to facilitate and expedite such Settlement, the said Inhabitants are required previously to prepare, and have in Readiness to be given in, to the said Commissioners on their arrival, a full and exact Account of the following Particulars.

I. The Number and Names of all white Persons, and of all other free Persons in each Family.

II. The Numbers, Names, and Ages of the able Slaves and others belonging to each Family.

III. A descriptive Account of the cleared Lands possessed and occupied by each Family, expressing the Number of Quarries, or Extent which the same consists of, what Parts thereof are under particular Cultivate, and with what planted; also a Description of the Buildings and Improvements thereon.

IV. The Determinations of the said Inhabitants with regard to the Terms and Conditions explained in the preceding Abstract, declaring which of the Alternatives offered, they severally prefer, in order to become British Subjects, and enjoy the Privileges and Advantages of that free and happy Government.

And, left any improper Insinuations should be used to alarm or prejudice the said Inhabitants, it is declared, that such Information is required with no other View, than to enable the Commissioners the more easily and speedily to settle the Business that is to be transacted with them.

It may also be proper particularly to explain, that no Boundary whatever can be established between any of the said Inhabitants, who have made no Agreement with other Persons, respecting Lands or Houses, since the Time of the Surrender of the said Islands; nor will any Allowance be granted for Improvements of any Kind, made in Consequence of such unwarrantable Proceedings. All Lands and Houses (excepting the Town Lots granted by Governor Shirley) in Castries, in the Island of Dominica, which shall not be judged by the said Commissioners aforesaid, to belong to French Inhabitants occupying the Island, will be the Property of the King, and disposed of according to his Majesty's royal Instructions.

By Direction of the Commissioners,
JOHN GREG, Sec.
